**Something important was initiated in 1992.
Something that affected the lives of me and you.
It was a “family reunion” for the young and old.
It was great, better than silver or gold.
Our theme, “Strengthening the family bonds in the 90s and beyond,”
Has touched the lives of the aged and the young.
We have gathered every other year;
Sometimes far, and other times near.
Wherever it is we meet;
When we leave we’ve all had a treat.
Unknown members have been sought out and found;
Some from large cities, and others from small towns.
Several generations (2-7) have attended through the years;
Some were greeted with smiles, others with tears.
This year, we’ve gathered in the city of San Diego;
Sights to see, things to do and places to go.
So enjoy yourselves and wish all well.
Whatever is in store the next two years, no one can tell.
We thank God for ancestors and loved ones gone on before;
Thank Him for the babies and newborns just entering the door.
Thanks to all the “planners” throughout the years;
The work they’ve done deserves our cheers.
And as we depart this place today,
We pray Almighty God to guide us on our way**
