HAPPY FATHER'S DAY (VATERTAG)

A poem for Fathers' Day:

A dad is a person
who is loving and kind;
often he knows
what you have on your mind.
He's someone who listens,
suggests, and defends.
A dad can be one of your very best friends!
He's proud of your triumphs,
but when things go wrong,
a dad can be patient
and helpful and strong
in all that you do,
a dad's love plays a part.
There's always a place for him
deep in your heart.
And each year that passes,
you're even more glad,
more grateful and proud
just to call him your dad!
Thank you dad...
for listening and caring,
for giving and sharing,
but, especially, for just being you!

Happy father's Day

10 THINGS I LEARNED FROM MY DAD

10. When he was my age, kids had to walk six miles to school in the snow and rain...in their bare feet... **uphill both ways**.
9. If he had acted like me, his father would have knocked him into the middle of next week.
8. When he was my age, kids had to make their own fun.
7. I wasn't born in a barn
6. When he was my age, he had to work for what he got.
5. I don't wanna make dad stop the car.
4. "Because I said so" is a reason that makes perfect sense to an adult.
3. I'd better stop crying or he'll give me a reason to cry.
2. I'd lose my head if it wasn't attached.

And the number one thing I learned from my father.....

1. Money doesn't grow on trees!

WHERE DID OUR ANCESTORS LIVE?

This is a map of the area in Germany where the Eberenz family lived. Wagenstadt (indicated by the red balloon) is the last address listed for Albert.

The port of departure for Albert, to a new and better future, was Bremen.

Marketplatz in Bremen, Germany

Albert was the first to leave the familiarity of home. He boarded the SS Cassel with hope and the anticipation of a good life in America. Luckily for us, Albert and the Cassel docked in Texas (best possible choice) at Galveston. He then made his way to La Grange. Wilhelm

(Willie) would follow Albert and also come to Texas. (MORE TO COME)

HELPFUL HINT:

Peel a banana from the bottom and you won't have to pick the little "stringy things" off of it.

That's how the primates do it.

Peppers with 3 bumps on the bottom are sweeter and better for eating. Peppers with 4 bumps on the bottom are firmer and better for cooking.

Easy Deviled Eggs...Put cooked egg yolks in a zip lock bag. Seal, mash till they are all broken up. Add remainder of ingredients, reseal, keep mashing it up mixing thoroughly, cut the tip of the baggy, squeeze mixture into egg. Just throw bag away when done easy clean up.

Congratulations to Chelsea and

Justin Barron on the birth of their daughter, Addisyn Kaitlyn Barron on April 10, 2008 weighing 6 lbs 11 oz and 19 3/4 inches long. Yvonne Powell reports that she is beautiful with a full head of hair. We expect pictures soon Yvonne!
